THE EAGLE

PRESCOTT COMMUNITY SCHOOL
OF
PRESCOTT, IOWA
PRESENTS

THE 1967 EAGLE

DEDICATION

AMERICA -- that magic seven letter word that possesses more power and carries more weight than any other word the world has yet devised.

But in addition to authority, the word contains a hope--a brilliant dream--of liberty for all people and a promise that those within its realm shall always have an opportunity to advance themselves.

America is terribly corrupt, but it is the closest thing to utopia that man has yet attained. We students are proud of our country and we are extremely proud of its young people and its fighting men who are fighting now in a small land far away. Many will give their lives to this war and many will mourn; many will say it should not have been and many will hail it as a halt to communist aggression. But the world regards it as a war and being such it is detestable, dirty business; detestable and dirty, but eminent as long as man attempts to rule on the earth.

To the fighting soldier, the defender of our country, go our prayers and gratitude. And this time we salute you.

Administration

MR. K.H. PIERCE

SUPERINTENDENT

Mr. Pierce first came to our school in 1965 and brought with him a set of rules which he presented to the student body. They dealt with such things as standards of conduct, code for dress and appearance, and other matters needed for the smooth operation of an institute for learning. Many students thought these rules a trifle stiff and overbearing and they were, but they were necessary. For the 1965-1966 school year, Prescott High School settled down to learning and controlling their urges to misbehave.

But this year sickness prevented our leader from executing his capacity; he was not here, the whole school knew it and acted accordingly. This is not to say that those who attended to the administrative duties could not handle them well, but it is common knowledge that a person cannot hold down two jobs and perform both with excellence.

But Mr. Pierce's absence taught the school a lesson. It made them appreciate his capabilities and his "iron hand." Kids need an "iron hand" every once in a while to keep them humble--the school is a good place for one.

Our superintendent has chosen his field well--he is an administrator in every sense of the word.

FRESHMAN INITIATION

Freshman Dennis Stormer, Bonnie Johnston, and Jo Green prepare to parade before the student body.

Master of Ceremonies, Vernon Williamson, and part of the student body look on as Mineta Woolverton proposes to Dally Robison.

September 16 was the date of the Freshman Initiation. This party was sponsored by the senior class. As is the custom for this event, the freshmen dressed up in silly costumes dictated by the seniors. Then they presented themselves to the high school students and performed skits (which is evident by these pictures). A dance followed the festivities.

A freshman named Dallas Robison honors the great seniors of '67 while he helps two other freshmen clean up the spaghetti-covered floor.

Bill Heatherington and Eddie Smith go through part of the initiation ceremonies. They were "paving" the way for another member of their class.

SENIOR CLASS PLAY

FIRST ROW: Sherry Botkin, Suzette the Maid; Janet Peterson, Aunt Jane; and Retha Rasmussen, Kitty Benders. SECOND ROW: Jaris Knapp, Jane; Mrs. Ford, Director; Connie Allen, Student Director; and Pat Long and Sandra Haynes, prompters. LAST ROW: Ronald Young, Bob Baxter; Dennis Smyser, Sam the Porter; Gary Walter, Ting; Vernon Williamson, Benjamin Moore; and Alan Luther, William Winkler.

On November 4, 1966, nine members of the senior class presented a play entitled, "The Arrival of Kitty". The three-act comedy farce was hailed as ONE of the best if not THE best ever given at Prescott.

The plot centered around a scheme which caused a lot of mix-ups and kept the audience crying with laughter from start to finish. Fine direction, long rehearsals, and realistic stage decoration made this play the success that it was.

"Then I'm yours!!" The great love scene between Benjamin Moore and Bob disguised as Kitty!!!!

"Oh, Benny!! Can you ever forgive me?!!" Can he?

SENIORS ENJOYED THEIR TRIP TO THE OZARKS

The Juniors sponsored a Sadie Hawkins dance November 8, 1966. This party concluded a school day which had seen girls carrying books, opening doors and doing other tasks for the boys.

During the course of the evening a kangaroo-court was held to punish girls who had not co-operated in the Sadie-Hawkins tradition. Also prizes were given to the worst-dressed girl and boy at the dance.

The scene of the dance, the school cafeteria, was "decorated" with piles of hay on the floor. This was fun for those who jumped in it, but bad for those with hayfever!

Still, it concluded a fun-filled day for the boys and a wearisome one for the girls.

HOMECOMING 1967

The theme of this year's homecoming, sponsored by the Student Council, was "Fantasy In Frost". The gym and stage were decorated with gold and black streamers. After the basketball game with Clearfield (the girls lost, the boys won) the gym was cleared and the white carpet was rolled out for the homecoming procession. A combo called the "Missing Links" played for the procession and throughout the evening. The highlight of the evening was the coronation of the 1967 Homecoming Queen, Miss Janet Peterson, by the 1966 Homecoming Queen, Miss Christine Wood.

That afternoon Janet had been elected by secret ballot of the Student Body. Her selection was a closely guarded secret until her crowning.

After the crowning and presentation of the bouquet, the new queen and her escort, Mr. Larry Peterson, led the court in the first dance. Other members of the court were as follows:

Queen Candidates-Joyce Blazek escorted by Gary Walter and
Sherry Botkin escorted by Ron Hofmeister.

1966 Queen-Christine Wood escorted by Student Council
President, Ronald Young.

Flower Girl-Denise Walter.

Crown Bearer-Monte Hofmeister.

STYLE SHOW

Winner of this year's Crisco trophy was Sophomore Lometa Walter who is shown modeling an orange dress she made for one of her projects in Home Ec.

Senior Esta Peterson displays her silver and white crepe dress which featured a white lace cage.

"Fashion Lane" was the theme for this year's style show which was presented by Mrs. Dean Davis and her Home Economics classes on May 12 in the school gymnasium. The Home Ec. Classes included seventh graders (who made shifts), Freshmen, Sophomores, and Seniors. Music was furnished by the school dance band. Escorts were Max Sorenson, Bob Lane, Randy Luther, and Ron Young. Esta Peterson presented a gift certificate and a corsage to Mrs. Davis on behalf of the Home Ec. girls.

Sherry Botkin, who was awarded the Betty Crocker Homemaker of Tomorrow award, models her yellow suit.

Freshman Roxanne Lane walks right over her name as she models the blouse which she made for the show.

Another year draws quickly to a close and so does another yearbook. The annual staff has completed a chronicle of events to aid fond reminiscences of a year gone by. Miss Wright, our advisor, and Mrs. Hanna, our non-appointed consultant and envoy, have helped considerably in the completion of this yearbook and it is with great pleasure that we, the editors and staff, present to our school their accomplishments.

BACCALAUREATE MAY 21, 1967

CLASS NIGHT MAY 22, 1967

Winners of the academic awards were Jaris Knapp, salutatorian, with 3.5 grade average, and Connie Allen, valedictorian, with a 3.8 grade point average.

Presentation of the key was made by Jaris Knapp, President of the Senior Class, and Susan Peterson, President of the Junior Class, accepted it.

The citizenship award was presented by Lee Watts to Ronald Young for outstanding characteristics of good citizenship.

Outstanding boy and girl athlete went respectively to Ron Hofmeister and Esta Peterson for displaying marked ability and participation in high school athletics.

The John Philip Sousa award for outstanding musicianship went to Jaris Knapp. She considers music a vital element to the life of any person.

COMMENCEMENT

MAY 23, 1967

Commencement speaker this year was Father Jacob M. Weiss, Pastor of the St. Patrick Catholic Church at Corning, Iowa. In his talk he urged each graduating senior and every member of the community to use his ability and thinking capacities to produce a better man and a better world.

CLASS WILL

TO WHOM IT MAY CONCERN:

We the 1967 graduating Seniors of Prescott Community School, being of sound mind and sound body, declare this as our last Will and Testament. We bequeath the following articles to the designated persons with the hope that they will serve as reminders of our presence these past years.

I, DENNIS HOGAN, will my ability to stay out of trouble with teachers to Victor Ross.

I, SHERRY BOTKIN, will to Lora Preston all my old worn out letters and envelopes so she can practice being a postman and to Jana Green my ability to run into doors, fall down stairs, and trip gracefully.

I, RETHA RASMUSSEN, will to Sue Brentnall a cowcatcher to keep the clods off the road.

I, DENNIS JENKINS, will to the juniors the hope that they may get along better with the faculty than we, the Seniors of 1967, did. I also will to Mike D. Hofmeister, the Excelsiored Life Saver of America, my cordial thanks for all the "fixes" he gave me during noon hours. Also half of my "Sopwith Camel" when I am fortunate enough to have one, all you will have to do is pay for it, I'll fly it. You may also keep it supplied with large red bricks and keep my Howitzer 80 mm machine guns oiled and ready.

I, PAT LONG, will my bicycle to Hollis Dodge with the hope that he can ride it until he learns to ride (instead of push) Jim Knapp's Yamaha and I will Mr. Garrett to whoever wants him in secretarial practice next year.

I, SHAREN ROBISON, will my ability to skip Mr. Garrett's fourth hour study hall to Bev Wynn and Sandi Robison.

I, ALAN LUTHER, will to Hollis Dodge my ability to skip seventh period study hall without getting caught.

I, JOYCE BLAZEK, will to Jo Green my bleached hair and to Hollis Dodge one chapter of my James Bond book.

I, RON HOFMEISTER, will to my cousins, Dennis Sychra and Mike Hofmeister, my reputation as a lover, my great athletic ability and height, my good looks, Wayne's empty jugs, and most of all my ability to stay out of trouble and to get along with the teachers, especially Miss Wright.

I will to Sandi Robison, Mike, and Dennis my motto, "If you're not with the one you love--love the one you're with!"

- I, JARIS KNAPP, will to some unfortunate Junior my capacity as President of the Senior Class; to Jan Green and Janet Birt goes one package of conspiracy cookies; to Dennis Sychra and Mike Hofmeister goes the great fortune of owning an imported sports job like mine; and to Mr. Hinrichs goes all my patience because he's got to be running out of his.
- I, DOUG BRANDT, will to the Juniors of '67 the ability to withstand the hot lunches of good old PHS for the last year; to Larry Sweeney all my empty cigarette packages; and to Bob Lane my height and position of the basketball court with the hope he fills it better than I.
- I, CONNIE ALLEN, will to Susan Brentnall the many school bus rides I've taken and all the fun I've had in high school; to Linda Brandt, Jayne Green, and Jo Green I will all the knowledge and experience I have gained in the last four years, in the hope they will use it wisely.
- I, GARY WALTER, will to Hollis Dodge my ability to succeed in catching a Creston girl. I hope you have as much fun as I have in doing so.
- I, SANDY HAYNES, will my ability to have fun doing anything, whether in school or out, to Marcia Walter.
- I, RON YOUNG, will my brown plaid shirt to Hollis Dodge; my red dress and blond wig to Dennis Sychra; my ability to be a prime pop popcorn popper to Mike Hofmeister and to Mr. Hinrichs I leave the teacher's chair in the Math Room.
- I, ESTA PETERSON, will to Susan Peterson all of the spilled milk, scratched records, and fun we had during the basketball season this year.
- I, JANET PETERSON, will my ability to giggle too much and have the loudest laugh in the school to Susan Brentnall and my favorite past time of talking to Jayne Green.
- I, RENE BOSWELL, will to Marcia Walter my ability to skip PE because of "Stitches."
- I, LINDA PALMA, will my ability to any girl in the Junior Class who can skip PE for nine weeks and get a "B" for a grade on your report card.
- I, BRUCE HANNA, will to Victor Ross and Jerry Wiese all my car trouble.
- I, LARRY PETERSON, will my ability to Sandi Robison to chew gum and eat candy in front of Mr. Hinrichs and and never get caught.

I, DENNIS SMYSER, will my ability to get good grades in German and still not understand it to Randy Luther:
my height to Bill Birt; and to the Junior Class I leave our class's good looks.

I, VERNON WILLIAMSON, will to Jerry Wiese my strength.

We, the Class of '67 will to the Class of '68 the inspiration given to us by the picture of the rising, or setting
(whichever it may be), sun on the north wall of the study hall.

We, the Class of '67 will to the Class of '69 all of our wasted paper used in writing themes for Mr. Hinrichs and
Mr. Garrett.

We, the Class of '67 will to the Class of '70 our spirit and interest in the integration of sexes.

The signing of the above document on this, the eighth day of May, in the year of our Lord, 1967, was witnessed

CLASS HISTORY

Our class has little future left but a lot of history to look back on. The amount of it consigned to the
grades is vague and mostly unmarked, but that of high school has been fun making and well worth recalling.

We entered high school 28 weak but with a lot of promise. We included: Connie Allen, Joyce Blazek,
Rene Boswell, Sherry Botkin, Doug Brandt, Ed Brandt, Twyla Briley, Jim Campbell, Bruce Hanna, Sandi Haynes,
Ron Hofmeister, Dennis Hogan, Dennis Jenkins, Jaris Knapp, Alan Luther, Linda Palma, Esta Peterson, Janet
P., Larry P., Retha Rasmussen, Sharen Robison, Victor Ross, Dennis Smyser, Rick Thompson, Gary Walter,
Rosie Williamson, Vernon Williamson, and Ronald Young.

That year we didn't learn much, but we all did a nice job of carving up our desks. They were the old
conventional hinge-seated, iron-wrought, ink-welled, black brown one, no doubt originals of 1914, that every-

one knew were going to be replaced the next year anyway. During the year Jim Campbell moved to Corning and Rick Thompson left us to go into business on his own.

The Sophomore year was relatively quiet. There WAS an instance or two that broke the monotony, however; a good example would be the time Ron H. stuck Victor's head in the preservative formaldehyde in biology.

Our junior year had something going for it all the time. There was a little incident with pumpkins around Halloween time and this was also the year that we learned to fight; we fought among ourselves, with other classes and, of course, with teachers.

During this time we lost Rosie Williamson, saw Ed Brandt move to Creston, and at the end of the year, Twyla Briley moved to Vinton. Our loss was somewhat compensated by the addition of Pat Long.

In our senior year we continued fighting, but kept it mainly between ourselves and the teachers. We pulled as many crazy stunts as we could get by with and a few that we couldn't. We looked back, too. Ten of us, Connie Allen, Joyce Blazek, Sherry Botkin, Bruce Hanna, Ron Hofmeister, Dennis Hogan, Jaris Knapp, Alan Luther, Dennis Smyser, and Gary Walter, went through the whole ordeal together. We have done a lot of thinking about ourselves and the future, too. And we will go away, no longer members of the class, but considering it a great honor to have been one.

SENIOR CLASS PROPHECY

Hi, fans! This is Willie Williamson coming to you from the Tahitian Isles, land of beautiful girls and beautiful beaches. And now for the news.

The well-known lawyer, Ronald Young, made famous by his triumph in the Oren Lee Staley trial, today received the Pulitzer Prize for his outstanding attempts to eliminate socialism.

Yesterday Janet Peterson accidentally made a brilliant discovery while preparing a TV dinner. Scientists are investigating the startling idea. If her theory is correct, it will disprove not only Newton's Law of Gravitation, but also Einstein's Theory of Relativity. Miss Peterson is a former chemistry student of Prescott High School in Iowa.

The exciting race for Secretary of Treasury of Missouri is now drawing to a close. The favored candidate, Eldon Walter has a huge margin over the other contenders for the position. Today in an interview with his wife, the former Sharen Robison, she was asked to describe her feelings concerning the success of her husband. Her only reply was, "By Golly!"

At a large formal ceremony today, Linda Palma became the bride of Prince Ahab of Lower Swahililand, making her the first lady of that country. After a lengthy honeymoon, they will go to Lower Swahililand, and try to regain the government from the military.

The most recent-born set of quintuplets, born to Mr. and Mrs. Dennis Smyser (a teacher at Carbon University) are all doing quite well. The proud (?) professor, already the father of six, is asking for donations of any kind.

Dennis Jenkins was today made treasurer of the John Birch Society, a group organized to combat Communism. The reason for his election is believed to be his outstanding achievement in the field of economics.

The TWA plane crash of last week has now been blamed on one of the stewardesses, Joyce Blazek. Several of the surviving passengers have testified that Miss Blazek had been in the cockpit with the pilot for the entire trip. Also when the plane was last contacted, the pilot is reported as answering, "Darling, you're beautiful."

Captain Douglas Wayne Brandt, of the USS Lusitania II was found today on a supposedly deserted island in the South Pacific. Mr. Brandt appeared to be in good health after his two year stay. When asked about his lonely life on the island, he quickly replied, "Wow!"

Are you tired, listless, run-down, can't sleep at nights? Try Geri-, no, I mean send your boys to Ron's Grape Farm. For the eight to ten year-olds there is fresh air and sunshine while hoeing the grapes. Ten to eighteen year-olds will receive training in the art of wine-testing. The manager, Ron Hofmeister, presently taking a night course in bookkeeping, guarantees your son a good time or your money will be refunded.

The Coast Guard has just sent out an emergency bulletin for those in the Pacific Coast area. A PT boat has been stolen by a wave believed to be Pvt. Rene M. Boswell. Miss Boswell is thought to have gone AWOL to marry her fiance who is stationed on the Fuji Islands.

Today the Red Bull Coffee Plantation was destroyed in a grass fire near Acapulco, Mexico. The owner and
